PTA:

We have selected a general body of PTA member i.e. parents teachers association, we have always been seeking parent participation and feedback. Their construction criticism and valuable feedback has always been helpful and appreciated. We extend our special thanks to the PTA members for their valuable support.

What I would like to stress here is that it is not only the special events, but what happens at S.N.D.S on a normal working day that is really significant the effort we put into listening to children, to parent's, to each other, the discussion of any new idea before launching, there is complete involvement of all the teachers & this makes us outstanding institution among our equal.

Before concluding this report, I bow my head in reverse to Maa Tuljabhavani for the blessing she has showered upon this institution. I also extend my deepest thanks to our very own management trustee honourable **Mr. Rajendra Dada Nagawade & Mrs Anuraddha mam**, for their whole heartily support and trust on us.

Thank you Mam & sir.

I would also thanks my dear student, staff both teaching & non-teaching my dear parents, for all their support & well wishes & their co-operation towards to school.
